Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Outer Banks of North Carolina has a great and diverse collection of history and nature, from pirates to pilots, first colonies to first flights, tall dunes to taller lighthouses. The amount of historical events is impressive for such a tiny ribbon of sand. Even more impressive are the many hidden tales and legends that exist throughout the Outer Banks, events that may be unknown to both local and visitor alike. Chapters include tales of abandoned ghost towns, homes built and rebuilt from nothing, a witch s cursed tree, bridges where no car travels, UFOs, bloody pirate tales, statues that traveled thousands of miles, lesser known monuments and the strange details they hold, and all the other wonderful bits of the strange and wonderful that makes up the Outer Banks. And sharks. And every one of these places can be visited, if you try hard enough. Did You See That? On The Outer Banks visits locations in and around Corolla, Duck and Southern Shores, Kitty Hawk, Kill Devil Hills, Nags Head, Manteo, Dare County mainland, the Hatteras Seashore, Buxton, Ocracoke, and Portsmouth Island. Included in Did You See That? On The Outer Banks is a detailed description of each location, including their histories and legends. Also included is a rating of how odd the subject is, how difficult it is to visit, and the GPS coordinates for each place. Simply type in the coordinates on your favorite map device and follow the directions to your favorite location. Make your trip to the North Carolina coast more fun with Did You See That? On The Outer Banks.
