The scene of John Wilkes Booth shooting Abraham Lincoln in Fords Theatre is among the most vivid and indelible images in American history. The literal story of what happened on April 14, 1865, is familiar: Lincoln was killed by John Wilkes Booth, a lunatic enraged by the Union victory and the prospect of black citizenship. Yet who Booth really was besides a killer is less well known. The magnitude of his crime has obscured for generations a startling personal story that was integral to his motivation. *My Thoughts Be Bloody*, a sweeping family saga, revives an extraordinary figure whose name has been missing, until now, from the story of President Lincoln's death. Edwin Booth, John Wilkes' older brother by four years, was in his day the biggest star of the American stage. He won his celebrity at the precocious age of nineteen, before the Civil War began, when John Wilkes was a schoolboy. Without an account of Edwin Booth, author Nora Titone argues, the real story of Lincoln's assassin has never been told. Using an array of private letters, diaries, and reminiscences of the Booth family, Titone has uncovered a hidden history that reveals the reasons why John Wilkes Booth became this country's most notorious assassin. These ambitious brothers, born to theatrical parents, enacted a tale of mutual jealousy and resentment worthy of a Shakespearean tragedy. From childhood, the stage-struck brothers were rivals for the approval of their father, legendary British actor Junius Brutus Booth. After his death, Edwin and John Wilkes were locked in a fierce contest to claim his legacy of fame. This strange family history and powerful sibling rivalry were the crucibles of John Wilkes' character, exacerbating his political passions and driving him into a...
