Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The only life Gracie has ever known has been the nursing home and the residents who are like family to her. Now, she risks losing it all and her friends scattering to different homes if she cant come up with the money to save the business. Between caring for his ailing mother and running the family farm, Brandt is stretched thin. Too thin. When his mother begs him to enter a local scavenger hunt, win the prize money, and convert the farm into an orchard, he knows he cant refuse her anything, so he reluctantly agrees. While seeking clues to the scavenger hunt, Gracie and Brandt keep bumping into each other. Gracies always had a crush on him that keeps her from stringing two coherent words together. Brandt doesnt understand why she dislikes him so much she wont even talk to him. If the nursing home residents would settle down and stop getting into crazy shenanigans long enough, the two might figure out that they have more than a little in common.
