Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Token Money of the Bank of England, 1797 to 1816 Not till the passing of the present Gold Act, when the Government virtually undertook to bear the loss upon all coins not tampered with, was the questions satisfactorily settled. The pages of history reveal many interesting incidents, and show that not only had the question of fair wear and tear to be dealt with, but a warfare had constantly to be carried on against the clipper and coiner of both gold and silver. As early as 1564 John Bennet, master of the ordnance, was in trouble for coining hard-heads, a small coin of mixed silver and copper; and many have been his followers down to the present day. Coining has been almost entirely confined to the lower ranks of society, but clipping was quite a fine art, and was practised by all classes. It was no uncommon thing for respectable people to carry a small file and apply it scientifically to each silver coin that passed through their hands, disposing of the filings to...
