Manual for Public Health Nurses (Classic Reprint)

By Hermann M Biggs

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Manual for Public Health Nurses With the large increase in the number of public health nurses employed in New York State, there has developed a distinct need for a compilation of information regarding the work of the public health nurse in all its various phases to which the nurse can refer when any question arises as to the scope of her work, and her legal limitations. At the risk of being too voluminous it has been broadened to include various information, which, while perhaps outside the actual field of her activities, is nevertheless closely related to certain branches of her work and about which she should be well informed. In a field which is developing so rapidly, it is inevitable that some important features may have been overlooked or insufficiently discussed. Certain aspects already well covered in available printed form have been omitted. It is therefore earnestly hoped that those who use this book will feel free to indicate to this Department wherein it may fail in any way to meet their needs. Securing a Nurse...
