W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 560 pages. Dimensions: 8.8in. x 5.6in. x 1.4in. This spirited anthology of contemporary American poetry focuses on the new poem--the hybrid--a synthesis of traditional and experimental styles. As Cole Swensen argues in the introduction to this comprehensive new anthology, the long-acknowledged fundamental division between experimental and traditional is disappearing in American poetry in favor of hybrid approaches that blend trends from accessible lyricism to linguistic exploration. The focus in American Hybrid is on the blend; the more than seventy poets featured here--including Jorie Graham, Albert Goldbarth, and Lyn Hejinian--have found new and often unique ways to reconfigure the innumerable and sometimes conflicting voices of the past thirty years. The editors have crafted short introductory essays on each of the poets in the anthology, providing biographical backgrounds and positioning them within the current of contemporary poetry. This new anthology is essential reading for those who care about the present moment--and the future--of American verse. 3 This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
