Brand New Book ***** Print on Demand *****.John DeGaetano, Theater Stage Director in the San Francisco Bay Area re-creates his twist on three new Sherlock Holmes adventures in a brand new 10 Minute Plays #2. Based in part from the career writings of Holmes long time friend Dr. Watson. The playwright, whose witty, well-crafted scripts are homage to Conan Doyle and the great pleasure in seeing his iconic characters, brought to life. Each play is just 10 minutes in length, four to six characters, simple unit set requirements and suitable for all audiences. Sherlock Holmes and Interview at Cambridge Estate - The determination intensifies as Holmes wagers with Watson he can solve the case before lunch, but then gets derailed by a common trait between suspects. Sherlock Holmes and the Blackstone Rhyme - A daring individual makes off with a fortune, it s now up to Holmes and Watson to solve a case that has remained unsolved for twenty-five years. Sherlock Holmes and The Dilemma - Holmes and Watson attempt to solve a case of an absurd scheme that might explain why one of the richest men in the city does not have a penny to his name. A delightful evening of entertainment and mystery lie ahead as you re taken back to Victorian England and the untidy flat at 221-B Baker Street. Many of you have enjoyed the first 10 Minute Plays and his full-length play Sherlock Holmes and the Princess Jewel, now you can experience here the entirely new short play scripts series Mr. DeGaetano has crafted. There s plenty of intrigue and adventure, as the stories move quickly which are guaranteed to please everyone who joins in.
