BRAND NEW, And Then God Gave Us Kids\*\*\*op\*\*\*: How God Uses Our Kids to Help Us Grow, Tamara Boggs, Tamara's second delightful book--an inspiring invitation for parents to see how the demands of parenting can enrich their relationship with God. It only takes a moment, says busy parent Tamara Boggs, to notice the dynamics of your relationship with your children and be drawn into new depths of spiritual understanding by what you observe. In the middle of the everyday demands of parenting, moms and dads can enjoy enriching insights for spiritual growth because they're parents, not in spite of it. The trick is perspective--God is a parent too. In these thirty-one touching reflections, Boggs provides a window into the wonders of God brought to light in the ordinary events of parenting. Each devotional includes a Scripture passage, a personal story, a simple reflection, and a heartfelt prayer.
