## SEVEN WAYS TO SMASH THE SICILIAN

Everyman Chess. Paperback. Book Condition: new. BRAND NEW, Seven Ways to Smash the Sicilian, Yury Lapshun, Nick Conticello, One of the main reasons the Sicilian is the most popular opening is that it promotes such bold and aggressive chess. But as White it's not enough just to attack; you must do so in the right way, using the appropriate weapons. In this book Yury Lapshun and Nick Conticello introduce, categorize and analyse the 'Seven Deadly Sacrifices' White has at his disposal. It's impossible to play Open Sicilian positions with either colour without an intimate knowledge of these sacrifices, and by using illustrative games the authors teach you everything you need to know, including the vital skill of how to recognize when favourable sacrificial conditions arise. Features include: the ultimate guide to Sicilian bashing; covers main lines of the Sicilian; and, includes a feast of entertaining games and violent sacrifices. Yury Lapshun is an International Master, a winner of many tournaments, and an experienced coach who has guided individuals and teams to national championships. His previous book for "Everyman Chess", co-authored with Nick Conticello, was "Play 1 b4!". US Master Nick Conticello won two Chess Journalist of America awards in 2003 and was named Organizer of the Year by the United States Chess Federation in 1996.
