Brand New Book ***** Print on Demand *****.Excerpt from The Duty of Columbia College to the Community, and Its Right to Exclude Unitarians From Its Professorships of Physical Science, Considered by One of Its Trustees The following communication embraces, with some corrections and additions, the material portions of a letter recently addressed by the writer to one of his colleagues in the Board of Trustees of Columbia College. He therefore presents his views in the present form, for more convenient examination by others of his colleagues, and he invites them in return to express any opinions they may entertain, if his own shall seem erroneous. Such an interchange, if it produce no other effect, will serve at least to define and limit the proper responsibility of each.
