Stuart is a high school drop-out who is destined to spend the rest of his life laying carpets until he stumbles across Brian s project. Suddenly, he finds himself with a new job - working on a space station and exploring a distant galaxy. Will his adventures saving an alien race give him the weapon he really needs - the courage to overcome his inhibitions? And, will he ever tell Brian how he really feels about him? Sometimes, one has to go the long way round just to find what is right in front of him.
