Reviews

This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).

Printed entirely in color, with helpful figures and syntax coloring to make code samples appear as they do in Visual Studio and Expression Blend! Silverlight is a lightweight but powerful plug-in for multiple web browsers on multiple operating systems that makes it easier than ever to create rich web-based content, applications, and controls. With support for vector graphics, animations, full-screen high-definition video, and more, Silverlight gives you the ability to create more compelling content than you dreamed possible for Windows, Mac OS X, and Linux. Silverlight provides much of the power of Windows Presentation Foundation, but with less overhead and easy integration with HTML and AJAX-style applications. Silverlight 1.0 Unleashed is the authoritative book that covers the technology in a practical and approachable fashion, authored by Silverlight guru and Microsoft developer Adam Nathan. 258 pp. Englisch.
