HUMAN BEINGS RATHER

Xulon Press, United States, 2011. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.Mr JR Kay used to describe himself (in accord with some close friends and relatives) as a Translator - Interpreter, Theologian -Relationist (TITRE). For him it s all about Relation in the matters of faith: Relationship between God and Human Beings and Relationship between Human Beings themselves. And the unfortunate verification is this that most of the time, believers in general and Christians in particular are too busy serving God that they miss God. They are too busy searching for their Master Jesus that they miss Him. Shall we learn to serve God in our brothers and sisters, fellow believers or fellow Human-Beings rather and serve Him well. Shall we search for the Master Jesus-Christ in our fellow Human-Beings rather and meet Him right! This is the invitation that this book (studies report) is all about with examples from some tenor thinkers and key actors of the Relationship. This book is the translation from the French copy: Servir l Homme pour servir Dieu: Une bonne lecon de ministere et de diaconie . Translation and proofreading performed and supervised by MM. Justice K Sallah and JR Kay. MR JR Kay is from a literary background and then read Theology, Philosophy, Ethics and Translation in Paris- France and in UK. He is now the proprietor and Managing Director of JR Kay Services International, a Translation, Interpreting and Languages Support Institution based in Nottingham - United Kingdom.
