Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

THE MYTH OF SISYPHUS

Penguin Books Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. The summation of the existentialist philosophy threaded throughout all his writing, Albert Camus *The Myth of Sisyphus* is translated by Justin O'Brien with an introduction by James Wood in Penguin Classics . In this profound and moving philosophical statement, Camus poses the fundamental question: is life worth living? If human existence holds no significance, what can keep us from suicide? As Camus argues, if there is no God to give meaning to our lives, humans must take on that purpose themselves. This is our absurd task, like Sisyphus forever rolling his rock up a hill, as the inevitability of death constantly overshadows us. Written during the bleakest days of the Second World War, *The Myth of Sisyphus* (*Le Mythe de Sisyphe*) argues for an acceptance of reality that encompasses revolt, passion and, above all, liberty. This volume contains several other essays, including lyrical evocations of the sunlit cities of Algiers and Oran, the settings of his great novels *The Outsider* and *The Plague* . Albert Camus (1913-60) is the author of a number of best-selling and highly influential works, all of which are published by Penguin. They include *The Fall* , *The Outsider* and *The First Man* . Awarded the Nobel Prize for Literature in 1957, Camus is remembered as one of the few writers to have shaped the intellectual climate of post-war France, but beyond that, his fame has been international. If you enjoyed *The Myth of Sisyphus* , you might like *Camus The Outsider* , also available in Penguin Modern Classics . Camus could never cease to be one of the principal forces in our domain, nor to represent, in his own way, the history...
