OCLC Number: (OCoLC)60384298 Excerpt: . . . congressional defense committees on the status of the departments business management modernization program, DOD has not yet established investment review boards below the DBSMC for each core business mission. The statutory requirements enacted as part of the Ronald 21 W. Reagan National Defense Authorization Act for Fiscal Year 2005 further require that the DBSMC must agree with the designated approval authorities certification of funds exceeding 1 million for the modernization of business systems before funds can be obligated. More importantly, the obligation of these funds without the requisite approval by 22 the DBSMC is deemed a violation of the Anti-Deficiency Act. As DOD develops a comprehensive, integrated business transformation plan, such a plan must include an approach to resolve the business systems modernization problems. We were recently briefed on the departments conceptual framework for business system modernization. While the framework has merit and is a good first step, the department will need to translate its framework into a comprehensive and integrated plan of action. This plan should include priorities, key stakeholders, timeframes, and accountability and it should be linked...
