

A Pocket Book of Word Games

By Philip J. Carter

W Foulsham & Co Ltd. Paperback. Book Condition: new. BRAND NEW, A Pocket Book of Word Games, Philip J. Carter, Brain training is the new buzzword. But word puzzle books have been bought for decades - for their pure enjoyment. And they do a very fine job in growing the mind that they leave behind. Pulling words apart, reconstructing them to different guises, or arranging them in complementary patterns is compelling. Dissecting them letter by letter to reconstruct other words and relationships is mental gymnastics at its best.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dana Hintz**

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
