Reviews

A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).

(Claire Bartell)

Doubleday, 2012. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. Doodled Books is thrilled to present Michael Logan's first novel Apocalypse Cow - a comedic tale of zombie animals overrunning the UK - that was joint winner of the Terry Pratchett Anywhere But Here, Anywhen But Now prize for debut novelists, published by Transworld. In May 2012 Michael kindly agreed to sign and doodle 20 books at his home in Nairobi, Kenya. Which you might think was an easy task but due to customs and numerous other issues we never thought we would see these books again! Anyway luckily the books arrived back after 4 months with box and bubble wrap intact. And it has been worth the wait as the doodles are fantastic! Michael has also published short fiction in literary journals and newspapers, including The Telegraph, Chapman, Underground Voices and Cutting Teeth. His flash fiction piece, We Will Go On Ahead And Wait For You, won Fish Publishing's 2008 One-Page fiction competition. Currently out of the journalism market due to being busy with fiction, Michael was a correspondent for the English newsroom of the German Press Agency dpa, based in Nairobi and covering East, West and Central Africa for four years. Michael also spent three years as dpa's correspondent in Hungary. He freelanced for several years prior to that - in both Hungary and Bosnia - for a variety of publications. Michael's articles have appeared worldwide in publications such as the CS Monitor, Business New Europe and The Sunday Herald, as well as being syndicated to CBS and ABC. He has reported on a wide range of events of global interest, from World Economic Forum meetings in Davos to the 2010 South Africa World Cup, and has covered visits from top world leaders such as George...
