Made in Tanzania: Economics for Tanzanians

By Damas Michael Mushi

Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Made in Tanzania: Economics for Tanzanians is an introduction to economics for beginners. The work is a contribution towards the advancement of economics education at secondary schools. The coverage is selective and an index is provided. Each chapter begins with a list of key terms which identifies the vocabulary a reader will need to learn in order to understand the material in the chapter. Learning objectives are provided so as to show the key points in the chapter. Each chapter ends with review questions. Beginners can use this book to supplement other relevant materials which are available and recommended by teachers. College students, undergraduate students and students in professional courses may also read the book and get useful information. Although this is a compact book with a limited space, a clear presentation makes it to be a recipe for revision. The contents and coverage are prim and precise. The contents of this book are formal and accurate. The contents have been tested, with a considerable academic success, in actual classroom settings. Again, this book is for beginners. Thus,...

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- **Jada Franecki II**

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
