Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Travels Through France and Italy, Tobias Smollett, Ted Jones, In 1763, Tobias Smollett set sail from Folkestone to Boulogne. He would not return to England for two years, during which time he travelled extensively - and in a notoriously ill-tempered fashion - through much of France and Italy. Smollett, seemed 'determined to be pleased with nothing' and was 'sardonic, satirical and decidedly gloomy'. In Paris, everything had 'shrunk' and was twice as expensive as his last visit. Versailles was a 'dismal habitation'. In Rome, he felt that Michelangelo's "Last Judgement" resembled a mob; his inn in San Remo was more miserable than the worst alehouse in England and in Lerici he was sure he would be poisoned. And yet, there were places where even Smollett could not fail to be captivated. The Maison Carree in Nimes was 'ravishingly beautiful', Nice was enchanting and the port of Genoa 'dazzling'. His obvious pleasure in the landscapes through which he passed, his keen eye for colourful, telling details and the fact that his letters appear virtually as they were written beautifully illuminate both Smollett's character and the places he visited. Funny, honest and full of subtle magic, "Travels through France and Italy" is a rare and revealing portrait of 18th century Europe at a time when Marie Antoinette had just become queen of all France, the Grand Tour was in its infancy and Cannes was a quiet fishing village.
