Brand New Book ***** Print on Demand *****.Come with me as I explain how I consistently beat the casino at the Roulette table without any impossible betting systems or schemes. We all know that you can't outbet the house; there are no bets that give a player the edge. Join me as I explain a different perspective on the physical aspects of the game. This book won't help you win Roulette online or against a computerized Roulette game. I'm here to show you how to exploit the weaknesses of real Roulette wheels and dealers to create your own personal ATM.
