Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In over 25 years of managing risks across a range of disciplines and industries, I have in only one instance, had adequate resources to implement appropriate risk strategies. That was following a terrorist attack on the Jakarta Embassy when the government of the day, insisted that all our overseas missions would be protected to a minimum standard. At the time, I was Manager, Property and Security for the Australian Trade Commission with a remit spanning 60 nations. In a few short months, my team and I built a \$56 million budget, and for a short period, our greatest challenge was spending the money fast enough to meet the program timelines. For the rest of my career, the biggest challenge has been finding adequate funding - and I have to say, that with research, practice and dedication, I've become rather good at it. Even without having met you, I'm going to suggest that finding sufficient funds to do what you know you need to do, is probably your biggest challenge right now. This book was designed with...
