Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which I really altered me, altered the way in my opinion.

Createspace, United States, 2011. Paperback. Book Condition: New. Large Print. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Just because the short-term memory is failing, doesn't mean that people suffering from different forms of dementia don't like to talk. They do. The secret to a good conversation with a person who suffers from Alzheimer's is to talk about things they do remember. This often takes them back decades, to their youth. Read a Bit! Talk a Bit! is a series of activity books specifically designed to get a good dialogue going with people who suffer from dementia and Alzheimer's. Each book is written in large type and starts with a short article on the subject, and is followed by 15-20 questions for the group leader to ask and discuss with the participants. Read a Bit, Talk a Bit, has a wide variety of subjects to cover interests of both genders. All books can be used with groups or one-on-one. The books are self-explanatory and can be used by carers as well as professionals.
