

Hello Susan, Its me, Cancer

By Susan DAgostino

Zen Publications, Mumbai, 2013. Soft cover. Book Condition: New. 23 cms. 218pp. With no roadmap to follow, Susan chose to face breast cancer without chemotherapy, radiation or hormone treatment. Today, after 8 years she is still enjoying superior health and is a personal and group therapist. This is her story. After having a quarter of her breast removed, Susan could not accept the rationalization of chemotherapy, radiation or hormone therapy. Forced by the lack of resource materials available for cancer and alternative healing options, she began her courageous journey of exploring and practicing natural healing. In a self-guided approach, Susan is candid, honest and powerful as she taps into her inner wisdom, reconnecting to her own emotional, physical, mental and spiritual self transforming her life forever. After regaining her health, Susan has been inspired to share her challenges, insights and healing journey- she wants others to know that there IS another way to heal.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
